No.B3-169-1695/58-59. OFFICE OF THE CHIEF CONSERVATOR OF FORESTS IN MYSORE, BANGALORE.

To Encl Sketch.

DATED: 16-7-63.

The Secretary to the Government of Mysore,
Agriculture and Forest Department,
BANGALORE.

Sir,

Subject:--Release of additional area in Chamarajanagar State Forest.

.....

The proposal for release of lands in Hardanahalli State Forest, Chamarajanagar ~~Taluk Forest~~ was mooted out basically having in view the restoration of the breached tank in the area and consequential tank irrigation of the area coming thereunder. Government first ordered the disforestment of 400 acres of land as per Government Order No.AFD 511 ~~FGL~~ FGL 59, dated 2nd March 1960. Subsequently Government in their letter No.AFD 2653/62, dated 21st April 1962 have directed to release the entire area i.e., 1633.5 acres of Hardanahalli State Forest.

The Divisional Forest Officer, Mysore Division, Mysore, reports that while surveying the area of 400 acres disforested as per Government Order No.AFD 511 FGL 58 dated 2nd March 1960 in Hardanahalli State Forest, an area of 70 acres in Chamarajanagar State Forest ~~again~~ adjacent to 400 acres in Hardanahalli State Forest is found to be irrigable. He further reports that by the release of the entire area in Hardanahalli State Forest, the boundary of Chamarajanagar State Forest becomes ~~out~~ward and that it will be a practical hindrance to maintain the correct boundary owing to the cultivation up to the margin of the State Forest. In order to maintain the correct boundary of the Forest and also to solve the land hunger of so many landless people in the locality, the Conservator of Forests, Coorg Circle, Mercara, recommends the disforestment of 150 acres out of Chamarajanagar State Forest as indicated in the Sketch enclosed herewith. I agree with the recommendation of the Conservator of Forests.

Orders of Government may be communicated early for taking further action.

P.T.O.

The sketch may please be returned when done with.

Yours faithfully,

W. S. Hailey
